Yesterday a child came out to wonder
Caught a dragonfly inside a jar
Fearful when the sky was full of thunder
And tearful at the falling of a star

Then the child moved ten times round the seasons
Skated over ten clear frozen streams
Words like, when you're older, must appease him
And promises of someday make his dreams

Sixteen springs and sixteen summers gone now
Cartwheels turn to carwheels thru the town
And they tell him, Take your time, it won't be long now
Till you drag your feet
to slow the circles down...

And the seasons they go round and round, and the painted ponies go up and down, we're captive on the carousel of time, we can't return, we can only look behind from where we came, and go round and round in the circle game, and round and round in the circle game.

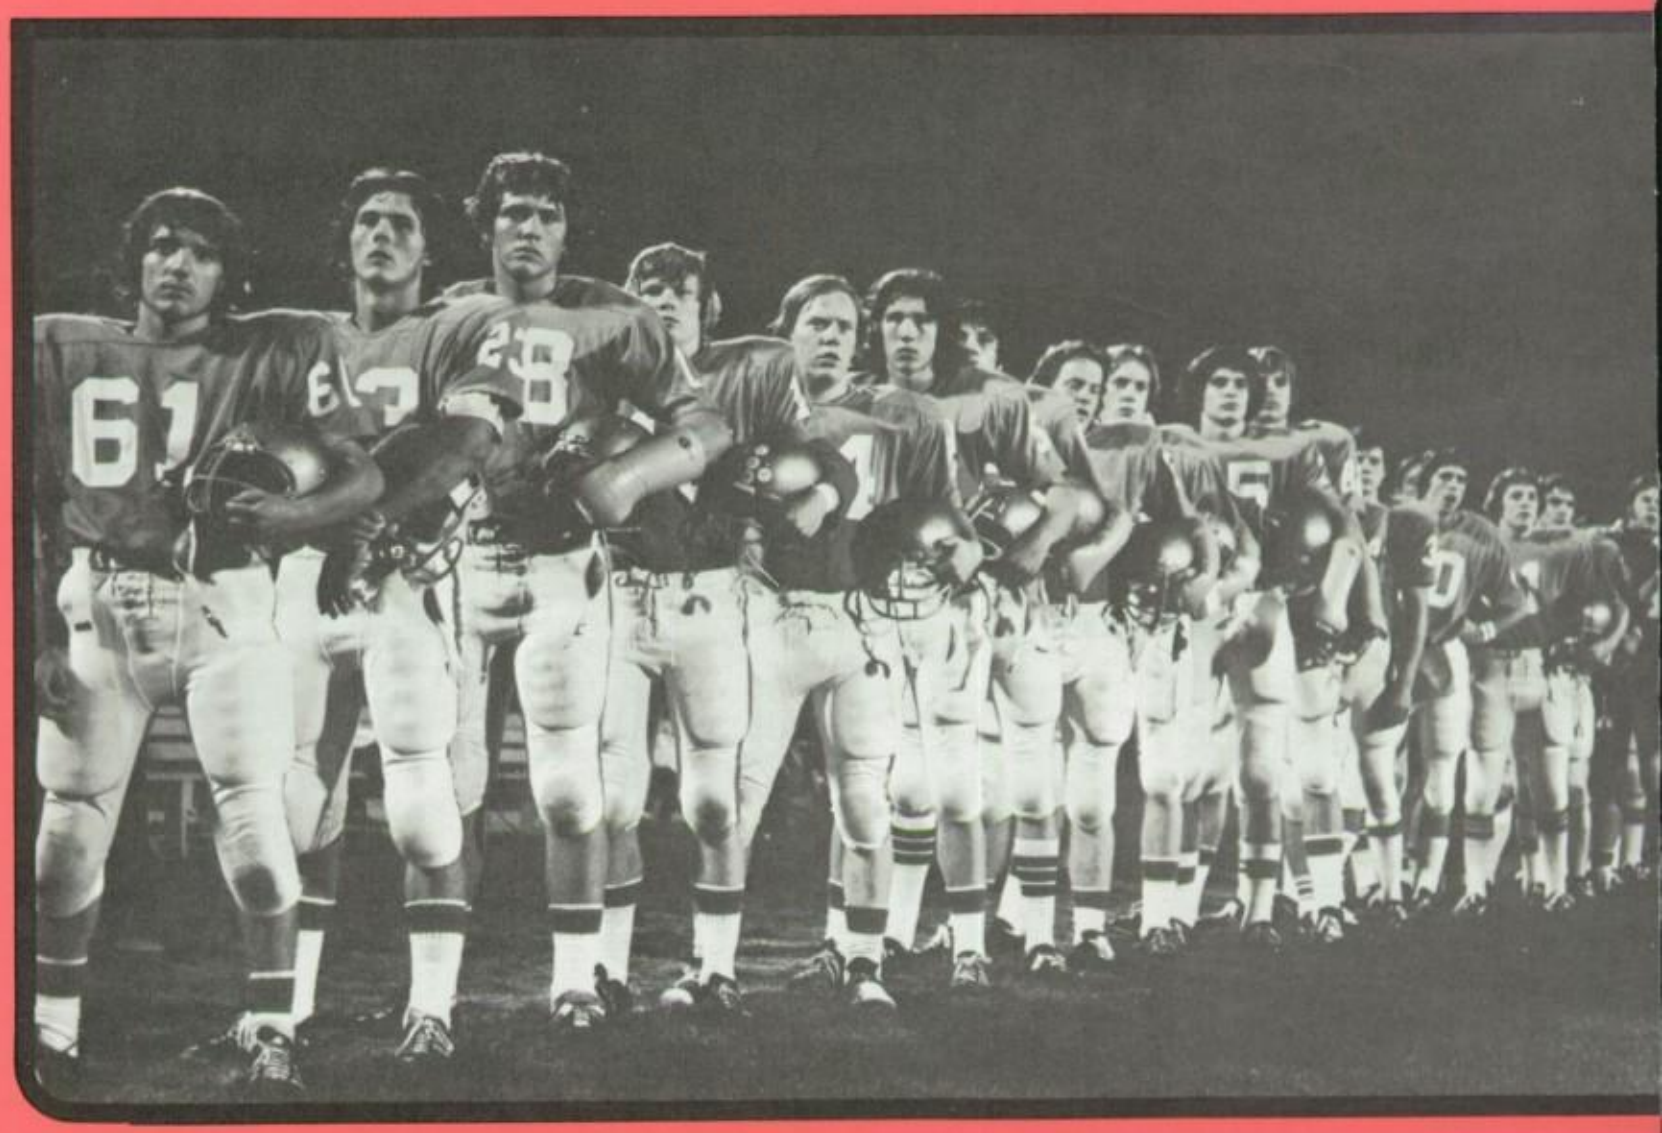
. . . And they tell him,
Take your time, it won't be long now,
Till you drag your feet to slow the
circles down. . .

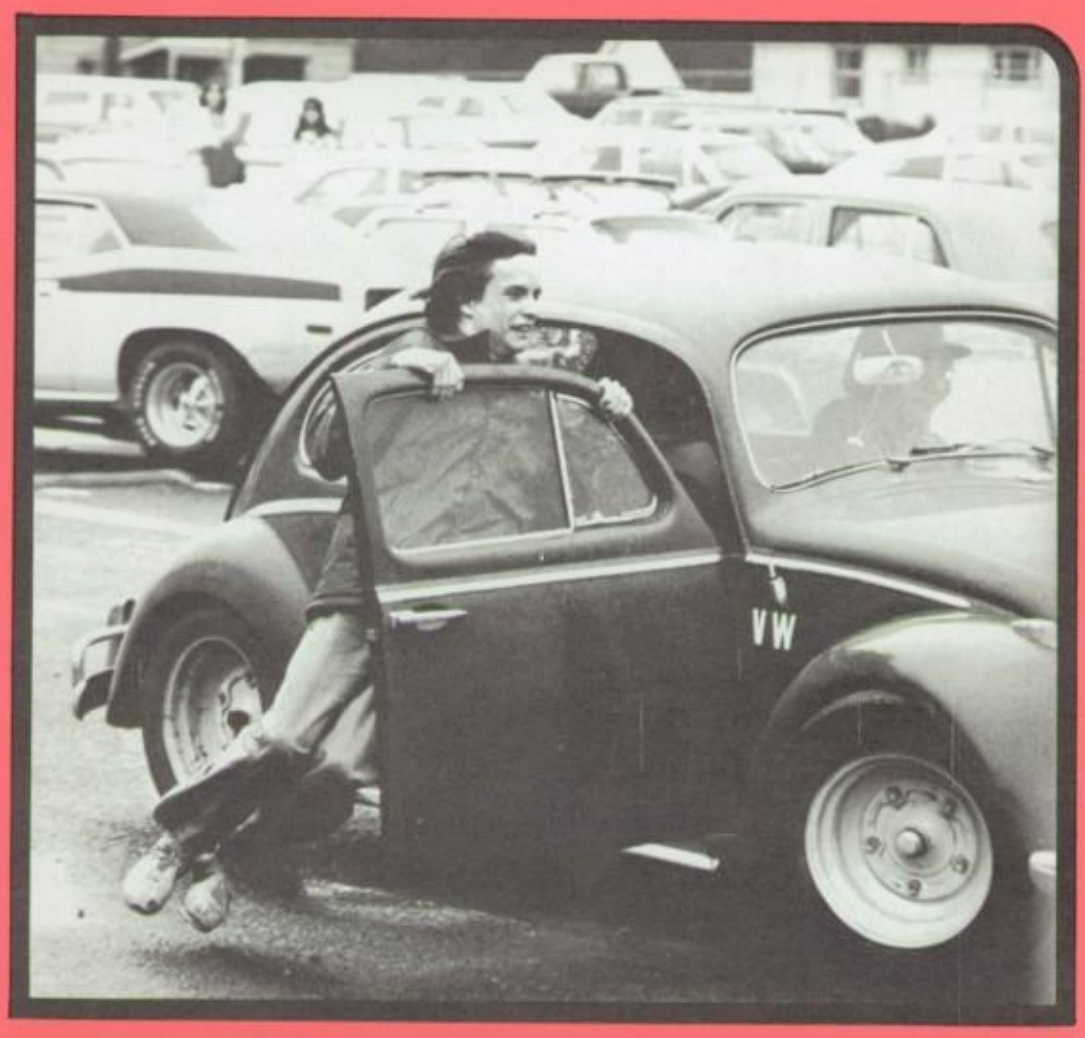
Student Life. An existence dictated by warning bells, required classes, computerized schedules. Seasons determined by holiday assemblies, athletic calendars, formal dances. The cycle revolves for four years.

Restless from the tediousness of school routine, the student anxiously awaits graduation, the threshold of adulthood. The independence is appealing but once acquired the novelty wears thin. Freedom is quickly replaced with the responsibility of work and further education. Then occurs the realization of wasted years --the loss of youth in anticipation of adulthood.

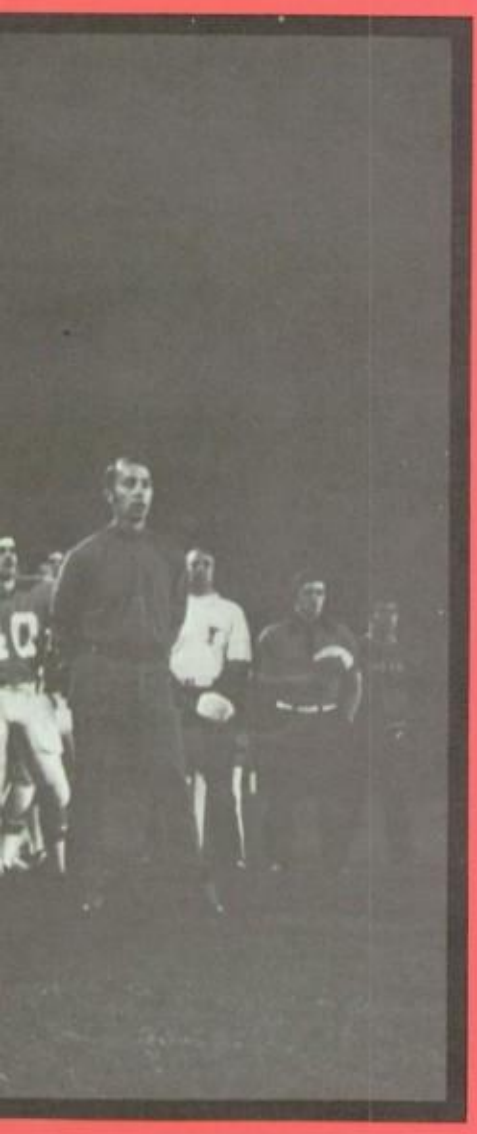
Student Life. Irreplaceable years of awareness, experience, and growth.

And the seasons they go round and round,





VW



And the painted ponies go up and down,

FALL ACTIVITIES:

Events Trigger Involvement

As fall got into full swing, so did its activities. Students regained their normal routine of a daily doze in class, while others asked their teachers, "Hey do you have a spare pencil, book, paper, eraser..."

Hello Week, featuring the Hello Court and dance, began the year. Assemblies featuring Judy Bochenski, Betty Roberts, Bob Packwood, and Robert Straub were added. Homecoming arrived, bringing with it old alumni. Parent-Attend-A-Day of school went over well, and fall had a great ending with the election of Mr. Turkey's Court and the Christmas Court.

6

HOMECOMING:

Elmer Salutes the Fifties

...was the main theme for Homecoming Week which began October 21.

Each individual class selected a co-ordinating theme and designed their floats, posters, skits and hall decorations after it.

With a total of 250 Homecoming points the Seniors placed first, Sophomores second with 205 points, Juniors third with 160 points and Freshmen fourth with 100.

At the hour long assembly Friday, October 25, Gail Roberts took her reign as the new queen.

FALL PLAY:

Play's Message Profound

Seventy-five students from the music and drama departments worked together on the 1974 Fall Play. OUR TOWN was written by Thornton Wilder and directed by Mrs. Janet Mouser. The audience greatly enjoyed the strongly drawn character parts of the easy talking Stage Manager, Simon Stimson, the Choir Director, and Mrs. Soams, the town gossip (who always cried at weddings).

As rehearsals for the play unfolded, the actors and crew involved in OUR TOWN became more and more aware of the strong message of the play: "Do people ever understand life while they live it, every minute?" Bill Gee, brother of Max who played Dr. Gibbs in the play was moved to write a special song "They don't Understand." This song, sung by some of the cast members was presented to the audience at curtain call.

This classic American play about the Gibbs' and Webb families became a strong two hours of sharing between actors, crew, and audience.

CHRISTMAS FORMAL

"Under the Mistletoe"

"Under the Mistletoe" provided a romantic theme for the 1974 Christmas Formal. Two new clubs, Together and Centax, were the sponsors. The clubs spent several hours decorating the cafeteria to create a Christmas mood. The machines were made into fireplaces and huge presents. The tree, decorated in green and silver, was large and radiant.

The styles for the girls and the guys were mixed. Many had the traditional formal dress while others chose a more casual style.

Sophomore princess Peggy Field was selected Miss Merry Christmas. She was escorted by Dale Pollard. Her court included Freshman Sherri Moffit, escorted by Gene Stone, Junior Betty Christensen, escorted by Joe Thompson, and Senior Sue Cook, escorted by Doug Havely.

SOC HOPS:

Friday Night—All Right!

A much larger attendence has shown soc-hops to have a revived popularity a among Centennial students. Once again, they have come to be associated with Friday night home games as a week-end activity. The soc-hops provided not only a way to expel pent-up energy and excitement after the games but also held their own as an excellent means of entertainment. The band repetoire topped past years by including such talented groups as Vegas, White Lightning, and Jade, not to mention Centennial's own Sir William Allen Paul. "Let's Boogie," the prevailing attitude throughout the year, was a definite mood created by the bands with their funky, get-down music, and carried out by the super spirited students of Centennial.

FOREIGN EXCHANGE:

Unni & Hiroshi Join Eagle Pack

Unni Krogstad, our foreign exchange student from Norway, stayed with the F. L. Summers family and really enjoyed her stay. The Summers did their best to initiate Unni to American customs and started with Halloween, when she carved her first pumpkin and wore her first wax teeth.

Unni kept busy between her many activities both inside and outside of school. Basketball, track, and Concert Choir were some of her interests in school, while in her "spare" time she skiis and plays the guitar.

Hiroshi Nabata from Japan, stayed with Mr. and Mrs. Douglas Walker of Gresham. Hiroshi has many unique hobbies and interests including ham radio, skiing gymnastics, and most of all--snakes.

During his stay here he has seen much of the state and likes its countryside and big cities.

AFS WEEK:

Pizza, Poi, Pasta & Popcorn

Monday of AFS Week started with the foreign exchange students being guest speakers in many of the classes. The TV studio did a short news program on them.

Money making projects were the main interest of chairperson Peggy Field. She organized balloon and candy sales. Love grams brightened Friday. Chances were also sold to estimate the number of popcorn kernals. The prizes for the closest guess were two dinners at the Sizzler Steak House. Other prizes were also given away.

Each day the cafeteria had a foreign menu. AFS Week concluded with a dance on Friday night with White Lightening.

Sadie Hawkins week was sponsored by Chi-Ata. It was held March 3, through the 8th. Hillbilly styles were worn everyday to create a new atmosphere around the school. The end of the week dance took place with the group "Vegas". Certain competitions, such as three-legged, and wheelbarrow races were added excitement during the group's intermission. The finale was the choosing of Little Abner and Daisy Mae. Coronet Studio photographed couples in order that their "Dogpatch Duds" might be remembered forever.

SPRING ACTIVITIES:

Here Comes the Sun!

As the aroma of Spring crept into Centennial, with it snuck in that inevitable urge to be outdoors. Heliaca held a successful trik-a-thon around the track and Concert Choir actively engaged in a plank race. Tennis enthusiasts began hitting the ball on the courts whether for team practice or just for pleasure. Increasing numbers of students began to pedal their bikes to school on the nice days while others chose not to show at all.

Spring fever swept over students and faculty bringing excitement and anxiety throughout that last remaining quarter of school.

SPRING PLAY:

Full House Enjoys "Music"

Rodgers and Hammerstein's SOUND OF MUSIC was certainly one of Centennial's "Favorite Things" as audiences packed the house each of the three nights it played, some coming two and three times to see the smash Broadway Musical and Academy-Award-winning motion picture "Come Alive" on Centennial's stage.

Backstage girls switched from short skirts to holy habits and quick changes were the order of the evening as seven children- and their governess- would run off stage and return seconds later in complete changes of costume.

Stage crew had no time to rest as wagon sets were pushed into place and furniture and props were pushed on and off as the lights changed and the orchestra played.

The students involved, cried when it was over amid standing ovations, bouquets of roses, and hugs and kisses from family and friends. Just ask any of the cast and they will say, "Lets do it again!" (And they probably could too, without a missed line or lyric!)

5. "How Do You Solve A Problem Like Maria?" pray Sister Sophia (Karlyn Gilmore), Sister Berthe (Megan Still), Sister Margeretta (Becky Parker), and the Reverend Mother (Ellen Gordon.) 6. A jubilant Maria (Lori Walker) sings of the joy she finds with "The Sound of Music. "

JR. SR. PROM:

"Color My World"

On May 10, 1975 the annual Junior Senior Prom was held in the Vista Room at Mt. Hood Community College. Girls and guys all dressed in their freshly new outfits, sparkled the room.

At first the prom, was going to seem like a letdown, for only five juniors showed up to decorate, but the turnout was fantastic! The theme was "Color My World". The music was by "Lime".

UNITY

STUDENT COUNCIL:

Voices of Authority

The purpose of becoming more of a voice of the students', rather than just a governing body, was the main objective of the 1974-75 Student Council.

Under the direction of Mr. Geary Moran, the executive members met each day in a newly formed Leadership Class. They discussed activities and events, and made various decisions.

Chosen to represent Centennial for the Presidential Classroom (held in Washington D.C.) were Mary Frizzell and and Bob Field. They had the opportunity to view the federal government in action, attend seminars and see many of our nation's leaders.

PARLANDO:

Philadelphia Beckons Yakkers

"Relate your experiences while masticating, please." Or, "You have just returned from an overnight tournament and while unpacking your mother finds 'foreign clothing' in your suitcase. How do you explain this to your parents?" Those were just a few of the impromptu topics used to initiate new members into Parlando. The initiation party was held at Gary Hay's house and ten new members joined PLUS paid their dues. (A record, indeed).

During the year Parlando hosted a Rec Night, and Student Congress which was held in April. Members Mike Heinrich and Andy Wong were honored by attending a debate tournament in Philadelphia and toured many historical monuments.

This years officers were Ron Hunt, President, Kari Amidon, Vice President, Tai Ti Fan and Chris Hatfield, Secretaries, Joan Heinrich, Treasurer, Mike Morris, Sergeant at Arms, and Jan Dicus, Historian.

THESPIANS:

The Play's the Thing

Thespian Playmakers were headed up by Ellen Gordon, President, Rhonda Gillett, Vice President, Theresa Bowman, Secretary, Ron Fischer, Treasurer, Karlyn Gilmore, Recording Secretary, and Mrs. Mouser as Troupe 1114's Sponsor.

Thanksgiving and Christmas baskets for a needy family, as well as a puppet show presented for children who could not leave Dorrenbacher Hospital for Christmas, were presented by the group. The puppet show, involving Rhonda Gillett, Allen Loch, and Susan Smoot was covered on TV and in major newspapers.

Three main activities were the fall production of Thornton Wilder's, OUR TOWN, the Spring musical THE SOUND OF MUSIC, and Fine Arts Week with the One-Act festival competition, in which the Freshmen, Sophomore, Junior and Senior Classes each presented a one-act play.

16 Centennial Thespians attended the State Conference in Ashland April 3rd, 4th and 5th. The conference, hosted by Medford High School and the Oregon Shakesperian Festival Association, featured workshops in various areas of theatre, competition in improvisation, duo acting mime, and ensemble acting, and three full length productions: GODSPELL, OTHELLO, and WINTERS TALE. Centennial's scene from MACBETH was selected for performance at this conference.

Clubs Assist Charities

"Oh...Wow, do my legs hurt!"
"Ouch! I can't sit down!"

Such complaints and groans were very familiar ones the day after the Trike-A-Thon, sponsored by Heliaca to raise money for Easter Seals. Other activities of the National Honor Society included sponsoring an awards dessert, holding an initiation banquet for incoming members.

The Future Business Leaders of America proved to be busy this year as they participated in the Mothers March against Birth Defects, entered in the District Skills Contest, and held a paper drive and candy sales.

COUNTRY CLUB & TOGETHER:

New Interests & Friendships Result

Two new clubs were initiated this year by a few inspired students. Country Club replaced the old AFS Club and expanded the membership to include persons that had not taken a foreign language. Activities included a horseback riding trip in the Spring. Carl Larsen was elected Vice President and Sheryl Tuthill was elected President Pro Tem.

Together, the new service club came on the scene at Homecoming. The club really got together when they sponsored the Christmas Formal. In the Spring, a puppet show was presented for the Village Rest Home and another for the Shriners Hospital. The officers elected were Megan Still, President; Lori Bieberdorf, Vice President; Darlene Leggett, Secretary; and Linda Long, Treasurer.

FUTURE FARMERS OF AMERICA:

Members Attend Convention

This past year the chapter of the Future Farmers of America has been involved in many state, district and local wide activities. In early September they attended the Oregon State Fair with several designs, vegetables and a variety of horticulture stock plants and received many blue and red ribbons. They received a third place banner in soil judging, and had a swimming pool party. The Pacific International Livestock Show rolled around and ten students spent an entire day there. During the Christmas season the F.F.A. Chapter had a big square dance party with the whole district invited. As spring rolled around the Oregon F.F.A. State Convention also came taking six members to Roseburg for five days. With school ending and senior members graduating, it came time to elect new chapter officers and have a banquet, where all chapter awards were awarded ending an exciting year.

CHI-ATA:

Secret Pals Provide Mystery

Lots of music to jitter-bug by, potatoe chips and dips, cheese and crackers, a fashion show, and entertainment provided by Julie Piper started Chi-Ata's year off at the "Fiftie's" tea.

A "Getting-to-know-each-other" banquet was held at the New Kitchen Kettle and Secret Pals were chosen.

Many enjoyable activities took place throughout the year, including ice skating at Lloyd Center and foodering at Farrell's afterwards. Christmas came and Chi-Alta decorated a tree in front of the main office in which more candy canes ended up IN Chi-Alta members, rather than ON the tree.

Chi-Alta's officers were Molly Patrick, President, Gail Roberts, Vice President, Betty Christensen, Secretary, Liana Hawes, Treasurer, and Jill Benshoof and Lori Swedberg, Historians.

The Sadie Hawkins Dance and a banquet to find out 'who has been giving you nice little goodies' on holidays and special ocasions, rounded up the year.

CONCERT CHOIR:

Fun, Travel & Song

Performing skills both individual and as a group were what made Concert Choir such a success. They were invited to the Lewis & Clark invitational, journeyed to Springfield to perform with another High School, and were host to the Wilco League for their annual festival.

Entertaining the student body at the annual Christmas concert, each member dressed in pajamas and carried their little stuffed friends while singing, "Twas' the Night Before Christmas."

Many members were involved in the spring play, "Sound of Music," singing in a variety of parts. Concert Choir reported an enjoyable year full of hard work and lots of fun.

. . . *The Beat Goes on* . . .

Marching band participated in the Sight and Sound Contest, and in Ablany's Veterans Day Parade, they placed 2nd. Also, they gave the halftime performance at all home games.

Concert band's new uniforms brightened the season. They put on a Bazar to raise money to go to Victoria B.C. for the Marching band contest and parade. They also participated in the Wilco League Contest.

Freshman band, participated in the Cadet Band contest.

All bands were directed by Bill Chisholm whose dedication, and inspiration made the band successful.

BANDS, C-NOTES:

Music-Makers Share Talent

Stage Band consisted mostly of seniors this year. They had a very busy schedule, playing at different places. They participated in a number of contests, in which they usually placed. They played at the University of Portland, Clackamas Community college, and The Wilco League Band Contest in Pasco. They also participated in assemblies.

C-Notes worked very hard this year. Their main goal was to go to Hawaii, Spring Vacation. Disappointment came when they found they found they were $1,000 short. So, they went to Disneyland instead.

C-Notes performed at a lot of places this year. They sang for Ports O'Call, Disabled Vetarans, Lions Club, and the Thunderbird.

HI-C'S:

High Step To Boise

The Hi C's performance resulted in an almost flawless year. Starting out the year, they danced to the music of the CHS band. Both the band and the girls enjoyed working together and together, they presented entertaining halftimes for the football games. They also traveled with the band to different competitions and took a first in the Milwaukie Sight and Sound Competition and in the Veteran's Day Parade. As the season progressed, the girls (and their moms) worked together on new costumes for winter competitions. Breaking tradition, the Hi C's went all out with black knit jumpsuits, hot pink satin blouses with black bow ties, and top hats with sequins trimming everything. Also new for the team were their props--black stools and tambourines which, when they first started with them were quite a comedy but, really added a lot to the dance after the girls got them under control.

The HiC's participated in several competitions including the Rex Putnam Fall Halftime Competition, and the Metropolitan Dance Competition, taking a first place at each one.

Another "first", and a highlight of the season was a trip to Boise, Idaho, to participate in the Pacific North west Drill Competition. Centennial and David Douglas were the only two competing teams representing Oregon among the 24 teams from five other states. The girls returned triumphant with a first in Show and a third in Over-all.

"And now for the Grand Finale!"--As a perfect ending for the year, the HiC's finished in style by taking First Place in State Competition and receiving the Best Costume award.

BIKE CLUB:

Blue Lake Attracts Cyclists

Loaning other clubs money is what Bike Club members Mike Morris, Megan Still, Tami Hemry, Dan Leubner and Ky Gilmore do. The profitable club is headed by Ky Gilmore who managed to accumulate a treasury of $197.15.

Among the club's projects were the Homecoming Dance, and the Christmas formal, Powder Puff football.

Bike Club has enjoyed themselves throughout the year by planning trips with the Country Club, going to Washington Park and, despite the bad weather and loss of a few members going to Blue Lake. Ky Gilmore also rode her bike in the Homecoming Parade.

WRESTLING RALLY:

Rally Boosts Grapplers

A new total of ten members provided a larger rally to boost the wrestlers' spirits this year. Wrestling rally had many new activities that kept them busy all year long. The most outstanding of these was an assembly that, for the first time, was completely organized and put on by the wrestling rally. The guys were remembered throughout the year with gifts before meets and on holidays. Other activities included slumber, skating, and pizza parties.

CHESS TEAM, CEN-SKI:

Thinkers, Skiers, Winners

Concentration was intense...

Silence was unwavering...and as the clock ticked away, Centennial's Chess Team played straight toward victory. This year's team placed fifth in the Wilco league, and seventh in the Metro League. With its top three boards, Doug Grover, Lonnie Dunn, and Matt Dziewiontkoski returning again next year, the team hopes to continue its success.

An outstanding membership of 80 made Cen-ski a club of progress and success.

Lessons began in January, starting at Ski Bowl and continuing at Meadows. Cen-ski was first to try the "Pilot Program"--a swing shift at Ski Bowl which proved to be very successful.

CENTHISCAN:

Deadlines Prove Demanding

Under the direction of advisor Mrs. Kay Peterson, the 1975 Centhiscan staff designed and produced a creative artistic yearbook.

Patience, No-Doz, and plenty of erasures encouraged the staff through their page deadlines. Celebrations were held at Elmer's Pancake House upon completion. Other activities for the class included a journalism seminar at Portland State University, competition at Mt. Hood Community College in areas of layout, photography, and design, and a trip to Los Angeles for the national journalism conference in April.

The Talon staff took first place honors at Mt. Hood Community College's mass media conference.

A Christmas party, a dinner, and an outing to Mt. Hood were some of the activities culminated by a trip to Los Angeles for a national journalism convention.

BUILDING CONSTRUCTION:

Results Reflect Teamwork

Despite many changes in supervisors, 74-75 building construction classes completed a ranch style house at 17821 S.E. Marie St.

Because of illness, Mr. John Stark was unable to teach his classes for most of the year. Following a series of substitutes, Mr. Melvin Jensen assumed Mr. Stark's responsibilities as supervisor.

The three bedroom house, designed by Ralph Parker, the Vocational Department Chairman, featured a kitchen with a breakfast bar and indirect lighting. The exterior of the house was painted yellow with brown trim. Maple stain was used on the interior cabinets and wood trim. A three-fourths bath was also an added feature in the double garaged house.

Even Oregon weather did not hamper the classes from completion of their annual project house.

The varsity football squad enjoyed another winning season, the second in Coach Holt's reign as head coach. The season will be remembered for the close and exciting games like Reynolds, and cross division rival Clackamas.

Reynolds was fighting to have a winning season when they came over to Centennial that Friday night. The Eagles started the scoring off with Steve Seibel going over from the three. Reynolds came right back on a 60 yard screen pass for a touchdown. They added the extra point, making it C.H.S. 6, Reynolds 7 at half time.

Centennial and Reynolds traded scores in the third quarter; the Eagles a field goal and the Lancers a touchdown, making it C.H.S. 9, Reynolds 14 at the start of the fourth quarter. The Eagles scored again in the fourth period, and went on to hold the Lancers with a winning score of 15 to 14.

The game with the Cavaliers of Clackamas was equally exciting, with Centennial coming out on top 17 to 14. The game was highlighted by Mark Hettum's touchdown pass, a 28-yarder to tight-end tackle Bob Armstrong.

The awards banquet concluded the 7-4 football season. John LaMain was selected all-state at offensive guard and defensive tackle.

CROSS COUNTRY:
Depth Helps Harriers

Sophomore Gene Stone led the Centennial hot trotters to a third in the district meet and a mere three points from state qualification. Tigard was the team that ousted them from the trip to state.

Mr. Crane was pleased and a bit surprised about the season: "Of course, I was disappointed about the three points in district, but overall we had very good runs, and we had a lot of depth." Some of the depth were seniors Steve Snelling, Kurt Erspalmer and Mark Goin. "Next year we should be top contender against Lakeridge for the district crown. J.V., FROSH, CROSS COUNTRY

Runners to Your Marks. . .

The J. V. Cross Country team was very successful and ended the season with an impressive 10-3 win-loss record. Although the team was constantly being restaffed, they rarely lost. Complimenting their talent is a 2nd place ribbon for the prestigious Centennial Invitational.

Paul Hagstrom and Tim Popiel led the J. V. 's and also lettered on Varsity as did Roger Poore, a runner on the Frosh team.

Although the turn out for the Frosh team was the smallest in four years the team had a very big year. In the team's 12 win-1 loss season a very tough Lakeridge team provided the only defeat. The Frosh took 2nd in the Centennial and Grant Invitationals, but ended up with a disappointing 4th at District.

Rodger Poore was the unchallenged leader, but in his absence to the Varsity Scott Benzinger, Craig Brandt, and Ron Trevarthen led the Freshmen.

The will and desire instilled in the J. V. and Frosh runners by Coach Crane has enabled them to produce another winning season in Centennial history.

1. Leading the pack, Scott Benzinger flanked by Craig Brandt ON THE LEFT and Ron Trevarthen ON THE RIGHT, glide toward their distant goal. 2. Pat Castle crosses the horizon with a tree (species unknown) in hot pursuit.

GIRLS CROSS COUNTRY:

New Dynasty?

Claiming their undefeated Dual Meet title the first year Girls' Cross Country team went on to win first place at the Centennial Invitational and take fourth place at the Grant Invitational.

Senior Barbara Hansen ended her outstanding season when she finished third place at the State Meet.

Mr. Hiram Crane coached the girls.

GYMNASTICS:

Girls Flip Over Toes

"Inventing new exciting moves takes a lot of work," states Miss June Morlan, director of our gymnastics program. The girls practiced three hours a night, every night, after school during the entire season. Their many hours of practice along with their inspirational coach explains their fantastic win/loss record of 12 wins and only 2 losses.

On the varsity team, Cindy Struck exhibited a very strong routine composed of superior moves on the balance beam. Kenda Graham, the top vaulting gymnast ended up the season doing hand springs. Jean Rech, besides being a bar specialist was also an assistant spotter. Taralee Ness displayd a beautiful routine concentrating on grace and agility. Kim Thompson showed a lovely routine on the floor and always was able to cheer up the team. Jan Discus had a charming routine but unfortunately had to end the season early because of a knee injury. Molly Patrick made a great representation at the State Gymnastics Meet with her superior routine on the uneven bars. Vicki Jones won the "all around" award at 12 of the 13 meets she attended.

A Potluck Awards Banquet was held December 11 in the cafeteria. The Varsity team members received letters and both team members received gymnastic charms for their charm bracelets.

"Youth, inexperience, and tough opposition" were a few problems facing the girls' volleyball team according to Coach Diane Stewart.

The girls wrapped up their season with a successful League Record of seven wins and four losses.

Senior Betty Brooks, a setter, was voted by her teammates as the Most Valuable Player. High scorer of the season was sophomore Kerry Servas, who averaged six points a game.

VARSITY BASKETBALL:

Desire, Bench Carry Team

Playing in the shadow of last year's Wilco Legaue Champions, the 1974-75 Centennial Varsity Basketball team was the team to beat. But the team to beat was no pushover this year and with the experienced coaching of Mr. Duane Brady earned a very respectful third in the Wilco League.

Injuries slowed the team's progress early in the season and it was without Dave Crawford and Jim Thompson that the Eagles relented to Parkrose by the narrow margin of two points. Such a narrow margin in the absence of two starters indicated strength from the bench in Scott Burgess. Tim Morris, Jerry Entenman, and Dan Jackson, all of whom started at intervals throughout the season. By mid-season the team was playing strong and showed the desire which carried them to a 16-6 season.

Individualism may not be the key to a successful athletic team, but when an individual does as much as Jim Thompson it is worthy of note. In his second year as a starter Thompson led the team in scoring and rebounding, was chosen for the first selected Most Valuable Player, By Coach Brady. The Outlook Award was shared by Brent Dickerwon and Bob Armstrong who each contributed heavily to the team's success. Bob Armstrong was also chosen for the second team Columbia Division All-Stars. Scott Burgess, A junior, shot the highest percentage from the free throw line with 78%. The Desire Award, given by the players, was bestowed on Jerry Entenman.

BASKETBALL: J.V., V. II

Winning Seasons All

The Junior Varsity basketball team started the season strong, winning eight of the first ten games, yet ended the year with a 12-10 win-loss record. Coach Chuck Johns said the team was much more competitive than their record indicated. He explained that many of the games were lost by less than four points.

The team was led by standout Nick Caba in the shooting and rebounding categories. Caba finished with 270 points for a 12 point average. Brad Washburn, the second highest scorer, had a 10 point average. Other top players were Mark Ceciliani, Ron Enteman, and Mark Hettum.

The Varsity II team had an excellent 17-win 5-loss season under the direction of Mr. Coy Zimmerman. Tom Kurutz led in shooting with a nine point average, but was closely followed by Kevin Crawford, Craig Gallinate, and Scott Lowe in that category. The rebounding was also headed by Tom Kurutz with 125 grabs. Jeff Akre, Randy Krall, and Cary Buhler alternated at the guard position throughout the season with any of the three capable of leading the team.

The frosh blue team ended a very successful season with a 16-3 win-loss record. After losing two of their first three games, the team went on to win all but one of their next sixteen. The team was led in shooting by Steve Casey and Doug Rowe, and by Dan Seibel in rebounding.

The red team finished the season with a 10-9 record. In his first year at Centennial, Coach Jim Johnson said his team had good spirit throughout the season.

Jeff Smith, an outstanding player for the red team was moved up to J. V. late in the season which left it up to Rob Hannon, Jay Brigham, and Rod Barraclaugh to lead the team.

District Title Captured

Putting their first score above Oregon City's, the girl's varsity golf team proved to be much more skilled in the sport than the previous year. In district, the girls placed sixth out of eight. Coach Duane Brady felt proud of his team of sophomores at this meet. Diane Nelson finished ninth in individual standings.

Mr. DeCourcey's boy's team participated in the state golf meet held at Glendoveer National Golf Course. The Eagles won the district title with a three stroke edge over the Dalles. The varsity golf team upped their season 10-3.

VARSITY WRESTLING:

Best Record Ever!

With precision and non-faultering strength the Varsity Wrestling Squad muscled its way to the best win-loss record in Centennial's history. Under the leadership of Coach Tony Russo the Eagles ended the season with a 19-3 win-loss record and the Wilco League Champions hip. Their only losses were to Clackamas, Rex Putnam, and the number one ranked team, Sweet Home.

After having a winning season, both won their division in district and competed in the State Tournament. LaMain, because of an injury, wrestled out in the first round. Benson went undefeated in the action and became State Champion at 106 pounds. "I look to him for a lot in the coming seasons," stated Russo, "Both as a winner and a leader."

Without search lights, trumpets, or fanfare, Freshman wrestlers rolled over league competition.

Despite losing their last match they ended the season with an impressive 16-1 win loss record. The wide margin of their wins embarrassed the opposition repeatedly.

SWIM TEAM:

Competition Proves Tough

Lead by Wilco All-Star Von Summers, the boys aquatics team had a disapointing 4-3 win loss record; "It was possibly the best season we've had since I've been here" commented Coach McPhearson "It was just a hard league this year." The Eagle's 6th place in the district meet at Portland Community College proved just how hard it was.

The season started out with hopes of a perfect win-loss record when Centennial defeated No. 1 ranked Lakeridge. But loss of a key swimmer from the team proved to be a significant downfall the remainder of the year. "We had strong individuals but lacked depth" stated McPhearson. "We had 21 school records broken by just two people, Von Summers with 12 and Rene Dyer with 9." The Eagles sent three swimmers to the state swim meet, Rene Dyer, Mike Sutton, and Von Summers.

The girl swim team headed by freshman Rene Dyer was young. Only losing 1 senior, hopes for a strong season in upcoming years looks promising. With eight girls on the team they proved to competitors that dynamite comes in small packages.

SKIING:

Skiers OK-2!

The season began with dry landing training in early November, and ended up on the slopes of Mt. Hood as the Eagle Boy's team captured 8th place and the girls 6th place.

Varsity Boy racers had a fair season this winter; the team included Stan McGuire, Jeff Hadley, Scott Malk, Diedrick Snelling, Chuck Parks, Tim Koch, and Kendall Kistner. They all showed great improvement in the years effort. Stan McGuire was again chosen as the men's individual to represent the Wilco league at State. Stan captured 16th place in the State slalom.

The girls had a good season overall. Cindy Struck was chosen as the outstanding skier of the year on the Varsity.

Gaining a lot of experience for future racing were J. V. members: Kevin Hughes, Roberta Dube, Kevin McDevitt, Andy Burns, Debbie Mayers, and Brad Baird.

VARSITY BASEBALL:
Disappointment Plagues Team

The varsity baseball team fought everything from the weather, to the scrapping of victories towards the end of the season, to make their win loss record respectable. Led by Coach Daggett, the team made a last chance rally in the last 3rd of the season.

In the beginning of the year hopes were high and division titles rang in the back of the player's minds. With the playing of the first ten games those hopes all but disappeared, as the diamond men dropped their first 10 contests. Hopes of a comeback came with their first win, a 1 to 0 shutout over last year's state AAA Champion Lakeridge. Dickerson pitched the win and also managed the only hit for the Eagles.

3

Things began to get brighter as the Eagles were in all the next 6 games but unfortunately lost them in the later innings. Then everything fell into place as they beat Lake Oswego 12 to 7. Jumping out to a quick 3 to nothing lead the Eagles thought they had the game wraped up, but Lake Oswego fought their way back to take a short lived 4 to 3 lead. In the remaining innings C.H.S. scored 9 quick runs and was able to stymie a last inning rally by Lake Oswego to win 12 to 7.

The Eagles were able to win 4 out of their last five games, and in doing that spoiled Hood River and Gresham's chance to win the league title. The other two teams they beat were highly rated Rex Putnam and Reynolds, ending the season on a winning note.

Everybody played a part in building the team, but special note should go to Steve Hettum and B.J. Dickerson for being selected to play in the Wilco league all-star game.

J.V. & FROSH BASEBALL:

Youthful Teams Dominate

The J.V. team under Coach Johns and assisted by coach Lund had a very successful year, maybe not record wise, but the players still had fun. The season was highlighted by the closeness of their games, losing to Lakeridge, Tigard, and Reynolds by a total of four runs. The team was led by junior Mark O'Toole and sophomores Len Hawkins and Doug Grant.

The two freshman teams under Coaches Wagner and Johnson had equally successful seasons. Coach Wagner's Red had a winning season, in fact the "winningest" baseball team at Centennial.

They ended up with a 13 and 3 win-loss record, and in doing that they beat the Dalles twice, a very rare happening for any team.

The freshman teams were highlighted by a no hit pitching performance by Steve Kilness, an extra inning ball game won by Centennial 1 to 0 against The Dalles, and a clean sweep of Wy East- Hood River by the blue team.

Some outstanding frosh baseball players were, Steve Kilness, Cory Krum and Rob Norton.

VARSITY TRACK:

Young Team Prospers

The team, though young and inexperienced, did come up with a respectable 5-1 win-loss record. This included a surprising upset of behemoth Rex Putnam and a first place in the Centennial Invitational bringing the trophy home again after a three year drought.

The seniors, though few in number, contributed greatly to the outcome of many an otherwise close meet. Tim Hanley shone all year in the sprints, and Bob Field was able to contribute more than his share of points in everything from the 440 to the half-mile. Not to be outshown, Dave Roentz, John LaMain, and Duane Finaas performed well in the pole vault, throwing events, and long jump, respectively.

Underclassmen adding needed support included sophomore distancemen Gene Stone and Alan Roberts who combined for a very strong unit. Junior Greg Calhoun proved his worth by qualifying for the State meet in the high hurdles, and sophomore Joe Abbott and junior Mike Hedrick were both consistent 6 foot high jumpers.

Junior Eagles Triumph

Not surprisingly, both the J. V. and Freshman track teams were highly successful. The J. V. earned a 6-0 record, while freshmen wound up the season with 5 wins and 1 loss.

Notable standouts at the J. V. level included Ron Maize, whose sprint work helped tremendously, Pat Castle pole vault and 440, George Maruhn in the sprints, and weightman Dave Pitassi, who also ran the sprints in his spare time.

The talent-laden freshman fielded such runners as distancemen Gary James and Ron Trevarthen. Dan Seibel gleamed in the high jump as did Andy Florence in both hurdle races. Other standouts included Jay Brigham and Greg Casselary, both sprinters, and Ron Nutting, a fine pole vaulter.

1. Overtaking a Gresham runner, Ken Campbell moves to an outside lane to pass. 2. Jeff Thompson shows how not to attempt a 6 foot leap. 3. Exhaustion is evident on Ron Nutting's face as he finishes a grueling 440.

GIRLS TRACK:

Six Travel to State

The hard working girls who stuck out those long hard practices ended up with a 6-1 record. The only loss was to Gresham. The season started out with a few injuries, and illnesses, but once it was all together they came back on May 23rd, and took 1st place at the district track meet.

The absence of the seniors, Laura Jones, Joanne Keup, Barb Hansen, Cindy Struck, and Unni Krogstad will be felt next year.

Six girls went to state this year: Barb Hansen (mile, 880) Cindy Curths (440, 880 medley) Laura Jones (100 yd., 880 medley,) Joanne Keup (javelin, discus) Genevera Carlson, and Mary Edmeades (880 medley).

1. Della McGuire and Kelly Gaylord discuss their hand-off's just before the race. 2. Cheryl Pierce clears 4'11" for a new school record. 4. Coaches, Diane Stewart, and Chelinda Dettorre add up points to another victory while Laura Jones listens intensely. 5. Brenda Hedges, and Teri Adkins whiz over the hurdles. 6. Barb Hansen wins another victory in the mile. 7. Kerry Servas streches for that extra inch.

TENNIS:

Youth Dominates All Teams

The young and generally inexperienced Varsity Tennis squad ended the season with a 9-5 win-loss record. Brant Barshaw and Steve Rex led the team with 8-3 league records. Dan Trevarthen placed fourth in the District tournament and continued on to state where he finished among the top twelve.

Said Coach Dean Pade, "They lived up to my preseason predictions."

With only one senior, Jerry Entenmen, leaving the team, and sophomore Brant Barshaw, juniors Steve Rex and Dan Trevarthen all returning, the future could be enhanced.

As Coral Hiscoe and Debbie McCord were the only graduating members of the girls tennis team, youth prevailed throughout the ranks. Singles players included Kassie Koch and Tara Lee Ness as well as the two seniors. The team finished the season with 3 wins and 8 losses in league play, but with so many girls returning, next years team looks promising, enhancing even.

GIRL'S BASKETBALL:

All Star Team Claims Two

Girls basketball may be a new thing for the yearbook but by no means is it unknown. This years team finished fourth in their district. The varsity squad ended their season with a 9-2 record. After the play-offs they had a 10-4 record.

Two girls were named to the Wilco All-star team. Joanne Keup and Kerry Servas took the honors. Kerry will be returning next year as a junior. Coach Stewart was very pleased with the way the girls played this year.

ADMINISTRATION:

Guarding Student Interests

This year's district and school administration went through change, starting with the new graduation requirements. These new requirements begin with the class of '78, and in order for them to graduate they need twenty-two credits. All through the year, school personnel visited classes to evaluate the teachers. Much time and effort was exerted by each administrator to see that each student received the individual attention best for him and for the school as a whole.

Mrs. Bonnie Reed - Attendance Counselor.

COUNSELING DEPT:

Understanding Available

Guidance and counseling is an essential element of our educational program. Every student needs to know where his talents lie in order to develop his potential. Students also need to identify with a career in order to develop direction for life. Our counselors are doing just that; helping with course selections, offering occupational information, giving college data, and interpreting test scores.

Human understanding, which makes possible the effective interaction of one person with another is a crucial part of living. No matter where one goes, he is always in contact with people and our counselors are endeavoring to help students develop this understanding.

BUSINESS:

Classes Focus on Future

"Hey, what are the margins on this, 25-80, 15-90, or 20-85?" exclaims a frustrated student.

"Eyes on copy..." begins the teacher.

"Hey, wait! I'm not ready yet!"

"Ready, begin!"

And as the timer is set, many clamoring typing students can be heard groaning, complaining, crying, and even saying a few obcenities as they attempt to get a timed-write.

The Business Department welcomed two new instructors, Mr. Richard Lund and Mr. Jim Johnson to its staff this year. The classes in the department were the same this year as those last year, although General Business is being phased out as it will be replaced by a new class next year.

SOCIAL STUDIES:

Modern Problems Explored

What's new with the Social Studies Department? Good question. To find the answer to that and other questions Mr. Hedrick was contacted.

"There aren't many new things going on this year. Of course, this is our third year on our new program, and it seems to be very successful." He added that "We have a good group of agreeabled teachers led by a good department head to benefit the program." This includes a trio of new teachers: Anne Tracy, John McDonald, and Dick Thompson who replaced the resigning Mr. Remane.

PHYSICAL EDUCATION:

Builds Twelve Ways

The curriculum of the P.E. Department has remained very much the same. New lockers in the boy's dressing room brightened things up a bit, and the new tennis court gave more people playing time. Mrs. Dettorie, the only new staff member, said she really enjoys teaching here. Basically, nothing's new, including complaints.

"Miss Stewart, I don't want to shower today."

"Why not?"

"It'll wash off my deodorant."

This year, as before, the instructors went through the same problems with students:

"Mr. Brady, I can't open my lock."

"Well, why not?"

"Because, I don't know where it is."

Yet, it was still a good year.

SCIENCE:

Answer the Question

What is Biology?

Being a science it is a way of exploring the living parts of our environment in a scientific way. This means that a person observes living relationships and then tries to apply meaning to what he sees.

Biology is also:

A. a credit.
B. taking apart frogs.
C. stromping through the wet grass to find a certain leaf.
D. Listening to Mr. Stith's jokes.

What is Science?

It is the broad field of human knowledge dealing with facts formed by principles.

Science is also:

A. graphs, beads, scales.
B. man's eternal quest to better himself.
C. experiments.
D. study of happenings in our universe.

ENGLISH:

Writing, Creativity Stressed

If English is the base of our society, the English Department has constructed a tower; a tower in the minds of ever dedicated students. Young men and women filed in their classes at the bell, and pushed and shoved their way out again, filled with the knowledge of how to write a research paper, pass an essay test, and be creative.

"But Mr. White, how am I supposed to know a worm's feelings?"

"Why can't we have a class on Objective test writing?"

The tower climbs higher as enthusiastic teachers ply their trades. Of course, that tower crumbles with the bell.

ENGLISH:

Classics, Modern Blend

"Tomorrow and tomorrow and tomorrow creeps in this petty pace..." Such are the thoughts of students caught in dull classes, trapped in their seats between bells. The English teachers, attempting to make courses relevant and enlightening as well as interesting, offered several diverse classes. The curriculum included Poetry, War Literature, Minority Voices and Creative Writing. Various forms of media created a stimulating learning environment. Students participated in impromptu drama producition, saw films and video-tapes, and created innovative projects.

MATHEMATICS:

Math Classes Multiply

$$\frac{-b+\sqrt{4ac-2b}}{2a}$$

"O.K. students, this is today's assignment," says the teacher.

"Ha, why don't you give us odd problems; they gave answers in the back of the book..."

And on went the futile cries of math students. In an attempt to aid some of these students even further, the Math Department added one new course to it's scope. This new class, Trigonometry and Advanced Algebra, is designed to continue after a student has completed Algebra 3 and 4, and is regulated at a slower rate than Algebra and Trigonometry.

The Math Department hopes to continue offering new classes, while at the same time improving their basic math program.

Incoming freshmen and outgoing senior industrial art students both were rewarded by the addition of an extra room built on the west end of the shop classes.

The newly completed addition is scheduled to act as a storeroom for metal-shop steel and woodshop lumber alike. Arts and Crafts materials will also be stored there.

Electronics classes have been benefitted by the addition of a color video recorder and playback unit. Mr. Thompson hopes to use the unit as a teaching aid by recording lessons and playing them back during the year.

MUSIC, HOME EC.:

Creative Talents Utilized

Fruit Pizza...Chocolate Chip Waffles... Bullseye Eggs...and Thumb Print Cookies would make any connoisseurs' mouth water. That is the reaction of many students enrolled in the Home Economics program.

This program helps students acquire many useful skills to be used at home and in family situations--plus, the reward of sampling a well prepared meal!

The music department of Centennial encourages the students to increase their knowledge and enjoyment of music, and provides the opportunities to perform in the areas of singing, playing, and listening. Both choir and band classes performed in several festivals and concerts. Many music students participated in the spring musical "The Sound of Music." Trips were planned by the groups to culminate the year's activities.

ACADEMICS:

Law Day Launched

Education '75. Learning through reading, listening, seeing and hearing. Involvement. The key to interest and enthusiasm within the classroom. Courses offered at Centennial combined both.

Field trips, speakers, films and tapes enriched the classroom experience. The Social Studies Department conducted tours of ESCO Corporation and the Trojan Nuclear Power Plant. Journalism classes attended seminars at Portland State University and Mt. Hood Community College. Building Construction classes completed their house. GRASP placed people temporarily in working situations geared toward their individual interest and intended careers. The Music Department performed in several concerts and festivals. Stocks were purchased and evaluated by Business and Social Studies classes. Plays were presented by English classes, rockets launched by Science students.

Law Day was introduced to Centennial in April. The seminar included several contemporary topics. Speakers, representing all aspects of the law, directed discussions, gave demonstrations, and provided insight and answers to timely questions. The program was considered a huge success by students and teachers.

The variety of activities offered in the classroom insured a stimulating learning environment and gave the student practical, realistic experience.

JUNIORS:

In contrast to their freshman and sophomore years the junior class has been rather inactive. Homecoming was a moderate success with the class coming in third. On Thanksgiving they participated in the can drive with approximately 300 cans. On Christmas, some members caroled with "Young Life". To finance the prom, the juniors held their third annual Spaghetti Feed before the opening of the Spring musical. All year, the juniors have put special favors in teacher's mail boxes, have sold val-o-grams and Santa grams. As individuals, they have increased our closeness-as a class the juniors seem to have drifted far apart.

SOPHOMORES:

Fund-Raising Fantastic

The Sophomore class got off to a good start with fall car washes and used clothing drives. Additional funds were obtained by selling animal candles at Mall 205 and at the lunches at school. Sophomores only lost out to the Seniors in homecoming when they took second place.

For Christmas the Sophomores took a trip to Salem to pick mistletoe to sell. At the Christmas Formal, the Sophomores cheered as Princess Peggy Field became Miss Merry Christmas.

Planned for Spring were more money making projects with the intent to make 1974-75 the best year ever.

FRESHMEN:

Newcomer's Interest High

The freshmen class of "78" got off to a slow start. Beginning with new advisors there was a lot of adventuring to do. Homecoming was a real challenge, but although they did finish with last place, it was a lot of fun and quite a new experience. Finally, after the second semester rolled around and new class elections, the class began to roll. Nearly all new class officers were elected to the class and they really got out and worked. After many car washes and candy sales, the class government began to perk up. Finding many new friends, and no elevator was a big adventure for most of the class of "78", and with potential in this class, they should have a very good year next year.

"The Original Refresher Course."

History.

When man needed transportation, he invented the wheel. When man needed warmth, he discovered fire. And when man needed real refreshment, he invented the real thing. Coca-Cola.

English.

Coca-Cola (Kōka-Kōla)
Coke (Kōke): trademarks which identify the same dark-colored, delicious, carbonated soft drink.
This unique tasting soft drink gives real refreshment, pleasure, fun, quenches thirst, it's the real thing.

The classic bottle.

Math.

Man X is working in the sun w. .e it is 97°
Man Y is working in the shade where it is 92°
Both X and Y then have a bottle of Coca-Cola, (ideally served at 34°).
Construct an equation:

X+Y+refreshing Coca-Cola =X+Y-thirst.

Poetry.

It's the real thing.
In the back of your mind,
What you're hoping to find,
Is the real thing.

It's the real thing.
That's the way it should be.
What the world wants to see,
Is the real thing.

It's the real thing. Coke.

. . . So the years spin by and now the boy is twenty
Though his dreams have lost some grandeur coming true
There'll be new dreams, maybe better dreams and plenty
Before the last revolving year is through.
